

RESPONSE TO COVID-19 USE OF HOLLOWELL POCKET PARK

H & T P C have reviewed the advice on use of play equipment and determined it is not practical to maintain a cleaning programme of all the equipment in Hollowell Pocket Park or try to define access routes.

All Parishioners are urged to follow Government advice about ‘Social Distancing’, hygiene and outdoor gatherings.

The Hollowell Pocket Park remains open but Parents are urged to act responsibly in regard to the use of the play equipment and potential risk of spreading infection by contact with (particularly metal) surfaces.

Anyone using the play equipment should take particular care to wash their hands after use and avoid touching their face.

Children should be supervised carefully to maintain good hygiene and should not use the play equipment if they have any signs or symptoms of coronavirus
